

## Custom Prints & Floor Plans

Sunday, 19 December 2010 20:09 - Last Updated Sunday, 19 December 2010 20:24

---

In case you didn't know Eastexconstruction.com is now designing custom floor plans for your convenience. Just ask and we will be happy to put your project into a visual display that you own to do what ever you want with. Here is an example of what we are offering. Your idea in print. Just one more way Eastex construction is going above and beyond our duty to earn your business.
